Презентация на работа

Trello Board

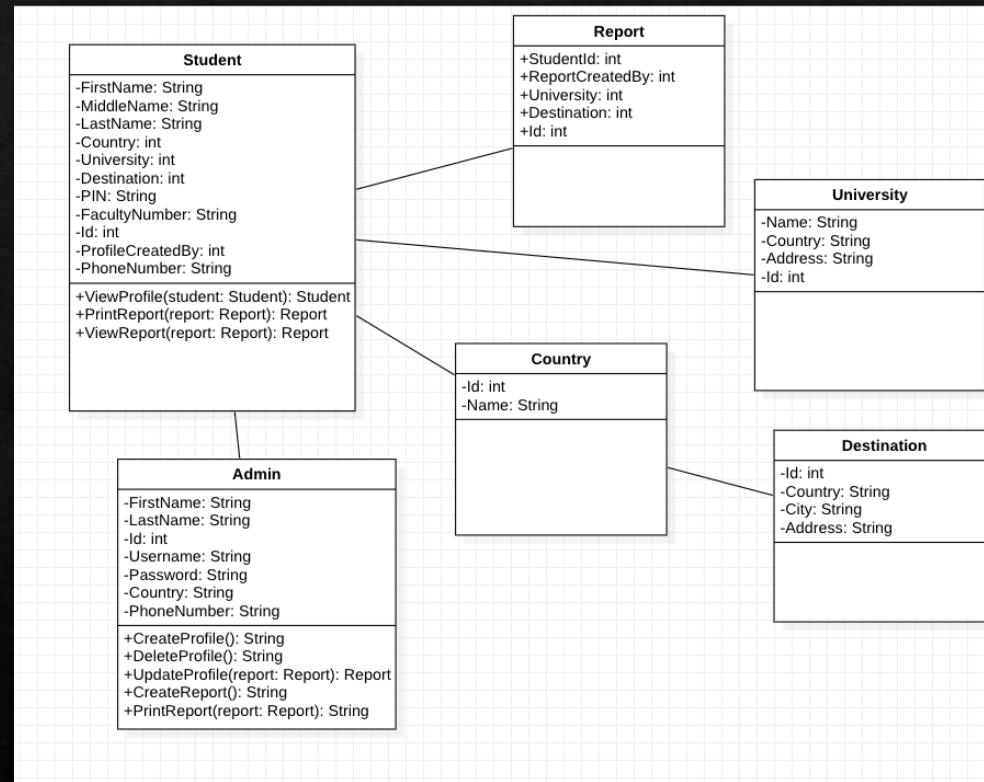

За да организираме работата, използваме Trello.

В него създадохме проект и направихме 5 колони (Backlog, Sprint, Doing, In testing, Done).

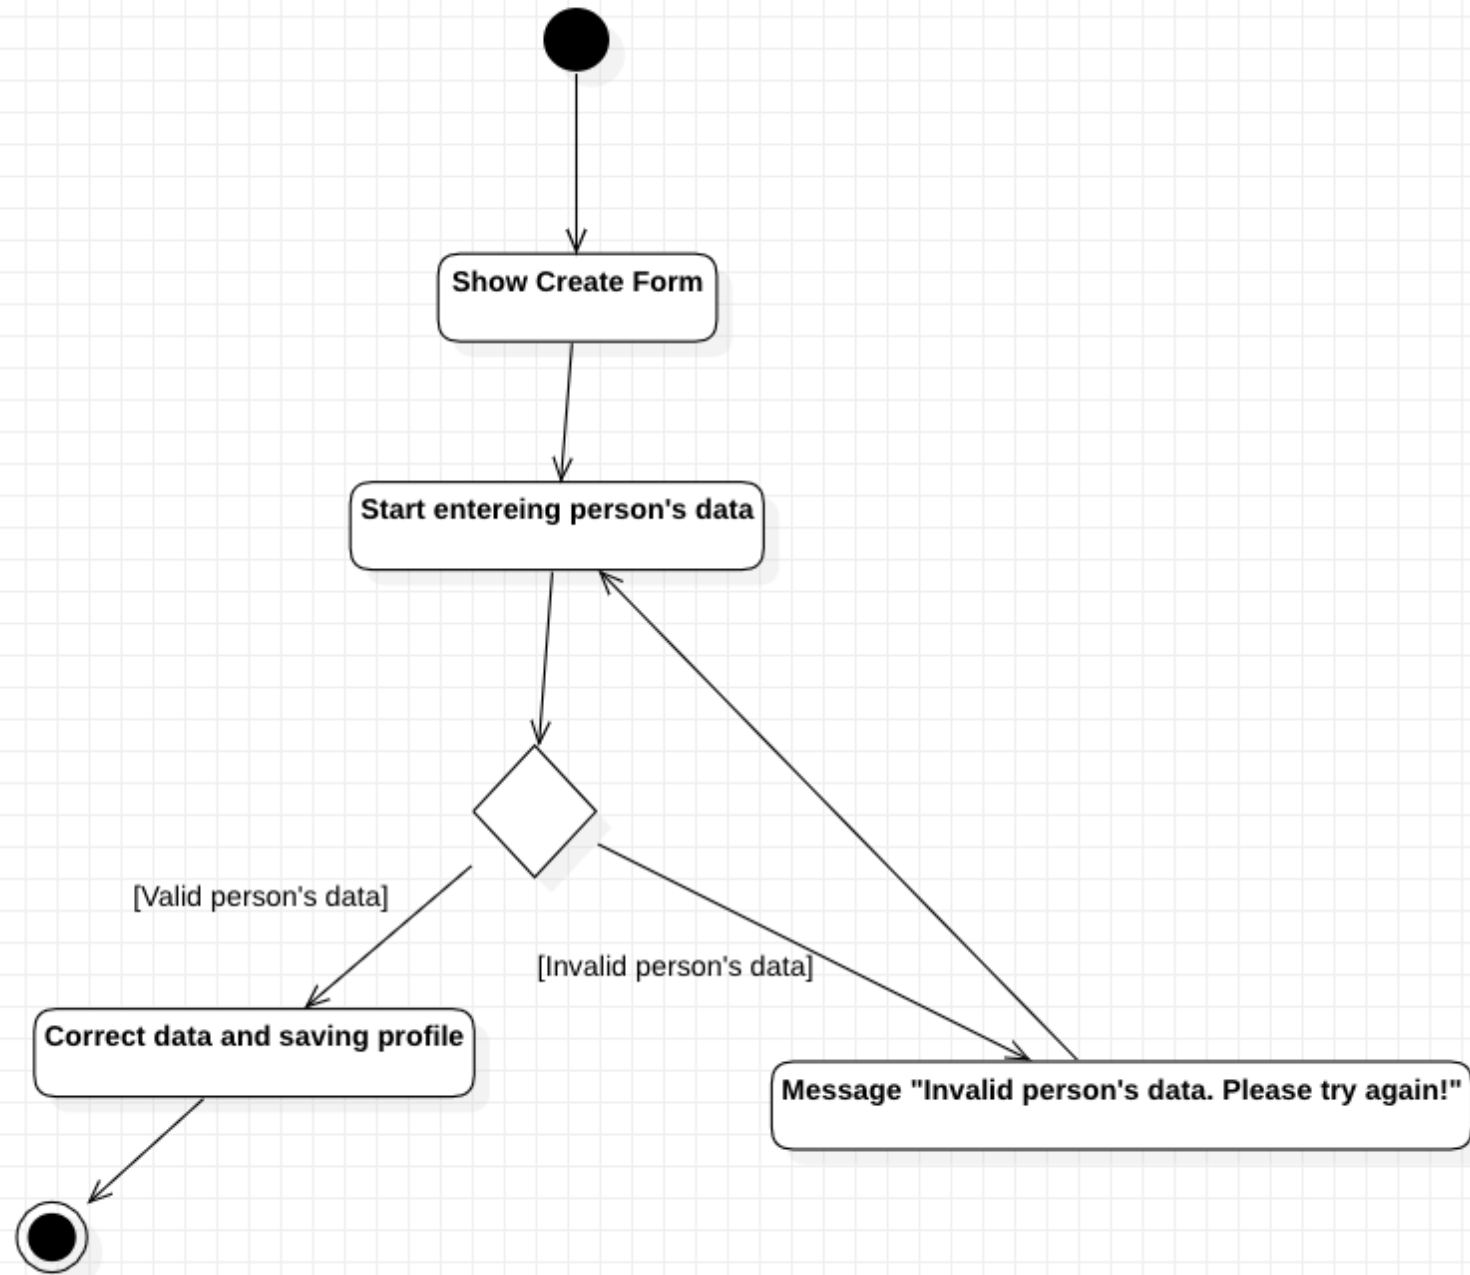

За удобна работа
направихме няколко
вида диаграми. Които
може да се види на
следващите слайдове.

Entity Relationship Diagram (ERD)

Use Case Diagram

Разработихме и
прототипно приложение с
основна функционалност.
Снимките на екрана
могат да се видят на
следващия слайд.

The image displays four wireframe screenshots of a web application interface, all featuring a light blue background and a white title bar. Each window has standard minimize, maximize, and close buttons in the top right corner.

- Window 1 (Title: ERDB):** Contains a login form with fields for "UserName" and "Password", a "LOGIN" button, and a "Sign up" link.
- Window 2 (Title: MainForm):** Contains a central form with buttons for "ADD STUDENT", "SEARCH", and "LOGOUT".
- Window 3 (Title: SignUpForm):** Contains a sign-up form with fields for "First Name", "Last Name", "Country", "User Name", "Password", and "Re-Password", along with a "SIGN UP" button and a "BACK" link.
- Window 4 (Title: AddStudentForm):** Contains a form for adding a student with fields for "First Name", "Middle Name", "Last Name", "Country", "University", and "Faculty Number", along with a "SAVE" button and a "BACK" link.
